Welcome to Mādahòkì (to share the land) Farm

As of October 2021 - Indigenous Experiences, the producers of the annual Summer Solstice Indigenous Festival and an award-winning cultural attraction for over 20 years are proud to announce a new Agri-tourism destination in Ottawa's Greenbelt that builds on the growing interest in agritourism, farm-to-table culinary experiences and authentic cultural experiences from an Indigenous perspective.

Mādahòkì Farm (formerly the Lone Star Ranch) is located on the traditional unceded territory of the Algonquin Nation at 4420 West Hunt Club Road in Ottawa. Mādahòkì means "to share the land" in the Anishinaabe language and reflects our vision of agricultural, tourism and Indigenous community use as a safe space where Indigenous communities and our welcomed guests from all walks of life can reconnect with the land. It will help to work towards greater understanding and reconciliation with all Canadians through sharing the traditional teachings and gifts of the land from our Indigenous perspective.

This beautiful farm is also the new home for our recently acquired and rare Ojibway Spirit Horses (also called the little horses of the big woods) an endangered horse breed Indigenous to these traditional lands and shared history with our communities since time immemorial.

We are excited to welcome your groups to our new home here at Mādahòkì Farm. We are now ready to open our doors for any of your events, tours, meetings or celebrations! As these lands will be used for sacred ceremony and events, we are NOT able to accommodate any events that include alcohol or drugs. Some of the key venue features include:

INTRODUCTION TO INDIGENOUS CULTURE

Mādahòkì Farm sits on the traditional unceded territory of the Algonquin Nation. However, one of the beautiful things about this region is our urban Indigenous community is diverse. This workshop will be led by the Indigenous cultural ambassador team and introduce the participants to the rich diversity of our nations, the common beliefs and way of life among our community and some of the most common questions they receive. This introduction will end with an opportunity for the group to engage the Ambassadors with any questions they have.

APPROX. 1.0 HOURS WITH INTRODUCTION AND QUESTIONS \$ 500 +HST

ELDERS TEACHINGS & TALKING CIRCLE

Invite an elder to do a traditional First Nation land acknowledgment and opening prayer. Each opening ceremony varies – as each elder chooses to share their wisdom in their own way/words.

In addition to their participation, the elder could lead a talking circle to discuss an area of interest for your group or company. (Must be mentioned at time of Booking as we will confirm the Elders comfort with the subject). This tradition includes an opportunity for each voice to be heard, recognized, and valued as part of the process, with the traditional passing of a sacred object. Alternatively, the elder could introduce the rich teachings of the medicine wheel in a cultural awareness workshop.

APPROX. 1.5 WITH OPENING AND TALKING CIRCLE \$ 750 +HST

DREAM CATCHERS

Groups create their own dream catchers, as part of a team! This activity does not just introduce our guests to the teachings and story behind each craft, it's a lesson in team leadership and communication. Once broken down into smaller groups, team members will take a turn retrieving directions on the next part of the process in creating their own dreamcatcher.

They will return to the table and relate the instructions to their team; teaching each of them how to complete it before the next member returns to the instructor for the next step. You can be sure that each team will create unique and memorable dream catchers, no two will be alike! (Includes all equipment and supplies in kit cost)
